Incorporated in 1988 as a non-profit/tax exempt historic preservation organization, P.E.C. presents a year-round, multidisciplinary arts and humanities program. P.E.C.'s mission is to enhance the considerable cultural resources of Eatonville, Florida, which is "the oldest incorporated African American municipality in the United States" and the hometown of writer, folklorist, and anthropologist Zora Neale Hurston; to educate the public about Eatonville's historic and cultural significance; and to use the community's heritage and cultural vibrancy for its economic development.

Funding for the 2009-2010 Exhibition Season is sponsored, in part, by United Arts of Central Florida, Inc. Additional funding is provided by the State of Florida, Department of State, Division of Cultural Affairs, the Florida Council on Arts and Culture, and the National Endowment for the Arts.
